

American Fruits and Flavors, LLC

FOOD SAFETY MODERNIZATION ACT (FSMA)

Based on the FDA Food Safety Modernization Act (FSMA) that was enacted on January 4, 2011, American Fruits and Flavors, LLC (AFF, LLC) was required to be compliant with the new laws regarding FSMA for Preventive Control for Human Food (21 CFR Part 117) by September 19, 2016.

AFF, LLC has been in compliance with the Regulations since September 19, 2016 and has developed Food Safety Plans for both of our processing facilities located in Southern California.

It is also important to note that both of our processing facilities have been certified by SQFI auditors as meeting food safety guidelines of GFSI (Global Food Safety Initiatives) standards. In 2021, our Juice Division received a score rating of 97% and our Flavor Division received a score rating of 98%.
